## Secretary's Report

March 2019

---

October 3, 2018 – The group once again met around the World Dairy Expo held at the Alliant Energy Center in Madison. Members spent the day walking the show before gathering at the Maple Tree Supper Club for the meeting. Matt Lange, Dairy Business Consultant for Compeer Financial, gave an informative presentation titled *Managing Margins during Difficult Times and Capital Investment Considerations*. If you would like a copy of the presentation please let me know.

During the business meeting that followed the group listened to presentations from the UW-Madison Student Chapter, UW-River Falls Tractor Team, and UW-River Falls Robotics Team. Each group gave an overview of their group and requested funding to help with activities throughout the coming year. Each organization was awarded \$500 of support from the WI Section. Thank you to all students who attended the meeting. The method for such funding requests is being improved by officers and they are also working on increasing membership to support the section.

Kindly Submitted,

Nolan Lacy

ASABE Wisconsin Section Secretary
